Bio

BIO

Dr. Jennifer Pien is a Clinical Associate Professor through the Department of Psychiatry and Behavioral Sciences, Stanford School of Medicine. She is the Associate Director of The Pegasus Physician Writers as well as the Editor-In-Chief of The Pegasus Review, a medicine and literary journal of narrative medicine. Her clinical work is in physician well-being through WellConnect as well as in the area of developmental disabilities. She cofounded Puente Clinic through the San Mateo County Medical System, an innovative subspecialty clinic devoted to the care of adults with developmental disabilities. Her interests include medical humanities and the intersection of creative writing and medicine.
