Erik Nielsen

- Marketing Specialist, Office of Technology Licensing (OTL)
- Marketing Specialist, Stanford Office of Technology Licensing

Bio

BIO

Erik Nielsen (he/him/his) is a Marketing Specialist on the Business Development and Marketing Team (BDM) at Stanford's Office of Technology Licensing (OTL), and he is specifically tasked with the "Search and Rescue" of marketing contacts and company data, preliminary technical marketing, including liaising with inventors and push marketing management, social media management, and special projects as needed. He's worked for Stanford's OTL since early 2018.

Education:

B.A. Psychology, UC Davis
