Bio

BIO

Willoughby J. Winograd is the Program Director of the Fix the College campaign at Equal Citizens and an undergraduate at Stanford University, pursuing a Bachelor of Arts in Political Science and an honors thesis in Ethics in Society. At Stanford, he is a research assistant for the Center for Deliberative Democracy. In addition to writing scholarly articles on citizen deliberation and op-eds on current events and politics, he is currently in the process of writing a book, "Embracing the Anthropocene."
