

Atindra Jha

Masters Student in Computer Science, admitted Autumn 2019

Bio

BIO

I am a graduate student in Computer Science advised by Prof. Mark Horowitz and affiliated with the AHA! Agile Hardware Center and the Stanford VLSI Group.

My research interests lie in hardware-software co-design, embedded systems, operating systems, and machine learning. I completed my B.S. in Computer Science at Stanford University as well.

Research & Scholarship

LAB AFFILIATIONS

- Mark Horowitz, AHA! Agile Hardware Center (9/25/2023)
- Mark Horowitz, Stanford VLSI Research Group (2/15/2020)
