

Stanford

Andrea Jonas

Clinical Assistant Professor, Medicine - Pulmonary, Allergy & Critical Care Medicine

Bio

BIO

Dr. Andrea Jonas is a Clinical Assistant Professor in the Division of Pulmonary, Allergy, and Critical Care Medicine at Stanford University. She completed her undergraduate studies in chemistry and physics at Harvard University. She received her MD from Johns Hopkins University, where she stayed on to complete residency training in internal medicine on the Osler Medical Service. She pursued fellowship training in pulmonary and critical care medicine at Stanford University, where she additionally completed a research fellowship in health care innovation and systems design as part of the Clinical Excellence Research Center. Her research interests include integrating technological innovations into healthcare system practices to improve delivery of pulmonary and ICU services.

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Medicine - Pulmonary, Allergy & Critical Care Medicine

ADMINISTRATIVE APPOINTMENTS

- Associate Program Director, Stanford Pulmonary and Critical Care Fellowship, (2020- present)

PROFESSIONAL EDUCATION

- Board Certification, ABIM , Pulmonary Medicine (2019)
- Board Certification, ABIM , Internal Medicine (2017)
- Fellowship, Stanford University , Pulmonary & Critical Care Medicine (2020)
- Residency, Johns Hopkins University , Internal Medicine (2017)
- Medical Education, Johns Hopkins School of Medicine (2014)
- Undergraduate, Harvard University , Chemistry & Physics (2008)
