

Stanford

Matthew Higgins

Ph.D. Student in Management Science and Engineering, admitted Autumn 2018

Bio

BIO

Matt is a Ph.D. student in the Department of Management Science & Engineering at Stanford University.

RESEARCH AREA: Organization, Technology & Entrepreneurship

RESEARCH ABSTRACT:

Matt is interested in organization design, group decision-making, and the connection between new technology and emerging organizational forms. His current research explores the implementation of new decision-making architecture on group and team dynamics. Before beginning his PhD, Matt worked in tech and media in Boston and Los Angeles. He enjoys running, cycling, history, and old maps.
