

## Harrison Anthony Besser

- MD Student, expected graduation Spring 2024
- Ph.D. Student in Chemistry, admitted Autumn 2020
- MSTP Student

### Publications

---

#### PUBLICATIONS

- **Celiac disease: mechanisms and emerging therapeutics.** *Trends in pharmacological sciences*  
Besser, H. A., Khosla, C.  
2023
- **Targeted Lysosomal Degradation of Secreted and Cell Surface Proteins through the LRP-1 Pathway.** *Journal of the American Chemical Society*  
Loppinet, E., Besser, H. A., Lee, C. E., Zhang, W., Cui, B., Khosla, C.  
2023
- **LRP-1 links post-translational modifications to efficient presentation of celiac disease-specific Tcell antigens.** *Cell chemical biology*  
Loppinet, E., Besser, H. A., Sewa, A. S., Yang, F., Jabri, B., Khosla, C.  
2022
