Bio

BIO

Fernanda S. Rossi, PhD is a licensed clinical psychologist and Clinical Assistant Professor in the Stanford University School of Medicine, Department of Psychiatry and Behavioral Sciences, Center for Dissemination and Implementation. She received her Ph.D. in clinical psychology from Indiana University and completed her clinical psychology predoctoral internship at the Veterans Affairs Palo Alto Health Care System (VAPAHCS). She also completed a postdoctoral research fellowship in medical informatics and health services research at VAPAHCS and Stanford University.

Research Focus: Dr. Rossi's research focuses on developing, evaluating, and implementing assessment tools and interventions to improve the safety and mental health of individuals at risk of intimate partner violence, suicide, and drug overdose. She is particularly interested in using technology and clinical decision support tools to enhance the quality and implementation of intimate partner violence-, suicide-, and substance use-related care.

Clinical Focus: Dr. Rossi has clinical expertise working with individuals who have experienced trauma, particularly those with a history of intimate partner violence.

CLINICAL FOCUS

- Clinical Psychology

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Psychiatry and Behavioral Sciences

PROFESSIONAL EDUCATION

- Fellowship: VA Palo Alto HSRandD / Stanford University CHP/PCOR CA
- Internship: VA Palo Alto Health Care Psychology Training (2018) CA
- PhD Training: Indiana University - Bloomington IN

Research & Scholarship

RESEARCH INTERESTS

- Psychology

CURRENT RESEARCH AND SCHOLARLY INTERESTS

Dr. Rossi's research focuses on developing, evaluating, and implementing assessment tools and interventions to improve the safety and mental health of individuals at risk of intimate partner violence, suicide, and drug overdose. She is particularly interested in using technology and clinical decision support tools to enhance the quality and implementation of intimate partner violence-, suicide-, and substance use-related care.
