

## Mihyun Choi

- Ph.D. Student in Bioengineering, admitted Autumn 2018
- Marketing Intern, Office of Technology Licensing (OTL)

### Bio

---

#### HONORS AND AWARDS

- NeuroTech Research & Training Grant, Stanford University (10/2020 - 09/2023)
- Love Family Foundation Scholarship Biomedical Engineering Departmental Nominee, Georgia Institute of Technology (02/2018)
- Outstanding Academic Achievement in Biomedical Engineering Award, Georgia Institute of Technology (12/2017)
- Petit Undergraduate Research Scholarship, Georgia Institute of Technology (UCB, Inc.) (01/2017 - 12/2017)
- Summer Undergraduate Research Fellowship, Emory University (06/2015 - 08/2015)
- Honors Research in Neuroscience and Behavioral Biology, Emory University (01/2015 - 12/2015)

#### EDUCATION AND CERTIFICATIONS

- Master of Science, Stanford University , BIOE-MS (2020)
- M.S., Stanford University , Bioengineering (2020)
- B.S., Georgia Institute of Technology , Biomedical Engineering (2017)
- B.S., Emory University , Neuroscience and Behavioral Biology (2015)
