Professional Overview

BIO

Lauren Janchenko, MSN, RN, FNP-BC is a nurse practitioner at Stanford Health Care. She graduated from Olivet Nazarene University with her Family Nurse Practitioner (FNP) degree. She completed a cancer care fellowship at Stanford Health Care. She started practicing in radiation oncology, specializing in CyberKnife stereotactic radiosurgery and CNS radiation. During the COVID-19 pandemic, she transitioned to work with COVID patients. Currently, she is interim lead APP for the COVID monoclonal antibody infusion clinic.
