Stanford

Beth Seltzer

Senior Instructional Technologist and Project Manager, Teaching and Learning Hub

Bio

BIO

Beth joined Stanford in 2019. Previously, she worked as an Educational Technology Specialist at Bryn Mawr College, where she coordinated the Digital Competencies Program, and at the University of Pennsylvania, where she worked as a project manager of the Early Novels Database and on other projects.

She holds a PhD in English Literature with a Certificate in Instructional Learning and Technology from Temple University. Her interests include digital pedagogy and scholarship, career preparation for humanities students and PhDs, and the impact of emerging technology on higher education.
