

Stanford

Hiroyuki Shimada

Professor of Pathology and of Pediatrics

CLINICAL OFFICE (PRIMARY)

- **Surgical Pathology**

300 Pasteur Dr Rm H2110

MC 5243

Palo Alto, CA 94304

Tel (650) 723-7211 **Fax** (650) 725-7409

Bio

BIO

Hiroyuki Shimada, MD, PhD, FRCPA (Hon), is Professor of Pathology and of Pediatrics at the Stanford University Medical Center. He was born in Tokyo, Japan, and completed MD (1973) and PhD (1982) at the Yokohama City University School of Medicine, Yokohama, Japan, and also completed his pathology training at the Children's Hospital (now the Nationwide Children's Hospital) and the Ohio State University, Columbus, Ohio, USA (1988). Before moving to the Stanford University in 2019, he was Professor of Pathology (Clinical Scholar) at the University of Southern California Keck School of Medicine and working at the Children's Hospital Los Angeles.

Dr. Shimada was Chair of the International Neuroblastoma Pathology Committee (1999-2017) and the founder of the International Neuroblastoma Pathology Classification (INPC). As Director of the COG (Children's Oncology Group) Neuroblastoma Pathology Reference Laboratory (since 2001), he has been actively reviewing pathology samples of ~700 neuroblastoma cases per year from United States, Canada, Australia, and New Zealand. Pathology review results according to the INPC have been providing critical information for patient stratification and protocol assignment in the COG international neuroblastoma clinical trials.

CLINICAL FOCUS

- neuroblastoma
- Anatomic and Clinical Pathology

ACADEMIC APPOINTMENTS

- Professor - University Medical Line, Pathology
- Professor - University Medical Line, Pediatrics
- Member, Maternal & Child Health Research Institute (MCHRI)

HONORS AND AWARDS

- Lifetime Achievement Award, Advances in Neuroblastoma Research Association (2023)
- Presidential Distinguished Colleague Award, Society for Pediatric Pathology (2023)
- The Fred W. Stewart Award, Memorial Sloan Kettering Cancer Center (2022)
- Enid Gilbert-Barness Prize, Society for Pediatric Pathology (2018)
- Honorary Fellowship, Royal College of Pathologists of Australasia (2012)
- Eleanor Humpherys Visiting Professorship, University of Chicago (2005)

- Lotte Straus Prize, Society for Pediatric Pathology (1989)

PROFESSIONAL EDUCATION

- Residency: Nationwide Children's Hospital Pediatric Pathology (1988) OH
- Medical Education: Yokohama City University School of Medicine (1973) Japan

Publications

PUBLICATIONS

- **Mitochondrial uncoupler and retinoic acid synergistically induce differentiation and inhibit proliferation in neuroblastoma.** *bioRxiv : the preprint server for biology*
