## Arpit Dheeraj

Postdoctoral Research Fellow, Radiation Biology

### Bio

---

#### PROFESSIONAL EDUCATION

- Doctor of Philosophy, Jawaharlal Nehru University (2019)
- Master of Science, Jamia Millia Islamia (2012)
- Bachelor of Science, University Of Delhi (2010)

#### STANFORD ADVISORS

- Sanjay Malhotra, Postdoctoral Faculty Sponsor

### Publications

---

#### PUBLICATIONS

- **A novel approach to target hypoxic cancer cells via combining  $\alpha$ -oxidation inhibitor etomoxir with radiation.** *Hypoxia (Auckland, N.Z.)*  
Dheeraj, A., Agarwal, C., Schlaepfer, I. R., Raben, D., Singh, R., Agarwal, R., Deep, G.  
2018; 6: 23–33
- **Silibinin Treatment Inhibits the Growth of Hedgehog Inhibitor-Resistant Basal Cell Carcinoma Cells via Targeting EGFR-MAPK-Akt and Hedgehog Signaling.** *Photochemistry and photobiology*  
Dheeraj, A., Rigby, C. M., O'Bryant, C. L., Agarwal, C., Singh, R. P., Deep, G., Agarwal, R.  
2017; 93 (4): 999–1007
