### Bio

---

#### BIO

Iroque Igbinosa, MD is a Maternal-Fetal Medicine fellow at Stanford University. She graduated from the University of Houston and earned her medical degree at Baylor College of Medicine. She subsequently completed her residency in Obstetrics and Gynecology Residency at Louisiana State University School of Medicine Baton Rouge. After residency, she was an AAMC-CDC Public Health Policy Fellow able to serve in the CDC Emergency Operations Center and contribute to research for health care providers regarding the management of the Zika virus in pregnant persons. Dr. Igbinosa's current research interests include severe maternal morbidity and mortality, health disparities and equity, anemia in pregnancy, infectious diseases, and clinical trials.

#### ACADEMIC APPOINTMENTS

- Instructor, Obstetrics & Gynecology - Maternal Fetal Medicine
- Member, Maternal & Child Health Research Institute (MCHRI)
