Bio

BIO

Dr. Sierra Mei Lin Centkowski is a board-certified Clinical Assistant Professor of Dermatology at Stanford University. She received both her medical degree and Master's in Bioethics from the Perelman School of Medicine at the University of Pennsylvania and completed her dermatology residency at Stanford. Her clinical interests include general dermatology, including skin cancer, acne, psoriasis, atopic dermatitis and dermatologic surgery. She believes that patient empowerment and partnership provide the foundation for effective, compassionate and holistic care.
