#### BIO

I am a second-year student in the Department of Economics at Stanford University and a Graduate Student Fellow. My areas of interest include development and econometrics. I am particularly interested in migration and urban economics.

Before starting my PhD, I worked as a Research Manager for Prof. Pascaline Dupas and Prof. Marcel Fafchamps on the AUDRI Project. In 2018, I graduated from Master in Economics at ENSAE and Polytechnique, Paris, France.
