

Stanford

Bence Daniel

Postdoctoral Research Fellow, Pathology

Bio

INSTITUTE AFFILIATIONS

- Member, Maternal & Child Health Research Institute (MCHRI)

HONORS AND AWARDS

- American Heart Association Postdoctoral Fellow, American Heart Association (2017-2019)

PROFESSIONAL EDUCATION

- Postdoctoral Fellow, Johns Hopkins University School of Medicine , Characterization of the chromatin architectural features of macrophage polarization (2019)
- Postdoctoral Fellow, Sanford Burnham Prebys Medical Discovery Institute , Investigation of the epigenetic mechanisms of macrophage polarization (2018)
- Doctor of Philosophy, University of Debrecen , Investigation of nuclear receptor mediated gene signatures of macrophages (2015)
- Master of Science, University Of Medicine Debrecen (2011)
- Bachelor of Science, Kossuth Lajos University (2009)

STANFORD ADVISORS

- Ansuman Satpathy, Postdoctoral Faculty Sponsor
