

# Stanford

---

## Gerald J Spangrude

Adjunct Professor, Institute for Stem Cell Biology and Regenerative Medicine

### Bio

---

#### ACADEMIC APPOINTMENTS

- Adjunct Professor, Institute for Stem Cell Biology and Regenerative Medicine

### Teaching

---

#### COURSES

##### 2020-21

- Stem Cell Intensive: STEMREM 200 (Aut)
- Stem Cells and Human Development Laboratory: STEMREM 201B (Aut)
- Stem Cells and Human Development: From Embryo to Cell Lineage Determination: STEMREM 201A (Aut)
- Stem Cells and Translational Medicine: STEMREM 202 (Win)

##### 2019-20

- Stem Cell Intensive: STEMREM 200 (Aut)
- Stem Cells and Human Development Laboratory: STEMREM 201B (Aut)
- Stem Cells and Human Development: From Embryo to Cell Lineage Determination: STEMREM 201A (Aut)
- Stem Cells and Translational Medicine: STEMREM 202 (Win)
