## Leina Alrabadi

Clinical Associate Professor, Pediatrics - Gastroenterology

### **CLINICAL OFFICE (PRIMARY)**

- **Pediatric Gastroenterology**

730 Welch Rd 2nd Flr

Palo Alto, CA 94304

**Tel** (650) 491-6686      **Fax** (650) 721-3822

### **Bio**

---

#### **BIO**

I enjoy working with a multidisciplinary team to care for patients who have complex medical needs with the aim of giving children a better future. As a clinical researcher, my main focus is on finding improved therapies for autoimmune and cholestatic liver diseases, since an ideal therapy currently does not exist.

#### **CLINICAL FOCUS**

- Transplant Hepatology
- Pediatric Transplant Hepatology

#### **ACADEMIC APPOINTMENTS**

- Clinical Associate Professor, Pediatrics - Gastroenterology
- Member, Maternal & Child Health Research Institute (MCHRI)

#### **HONORS AND AWARDS**

- Studies in Pediatric Liver Transplant Grant Recipient, SPLIT (2017)
- Fellow Symposium Grant Recipient, AST (2016)
- Award for Excellence in Quality Improvement, TTHSC (2015)
- Resident of The Year Award, TTHSC (2014)
- Resident of The Year Award, TTHSC (2013)

#### **BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS**

- Member, SPLIT (2018 - present)
- Member, AASLD (2017 - present)
- Member, NASPGHAN (2014 - present)

#### **PROFESSIONAL EDUCATION**

- Board Certification: Pediatric Transplant Hepatology, American Board of Pediatrics (2020)

- Fellowship: UCSF Pediatric Transplant Hepatology (2019) CA
- Board Certification, Pediatric Gastroenterology (2019)
- Fellowship: Yale University Pediatric Gastroenterology Fellowship (2018) CT
- Board Certification: Pediatrics, American Board of Pediatrics (2015)
- Residency: Texas Tech University Pediatric Residency (2015) TX
- Medical Education: Royal College of Surgeons In Ireland School of Medicine (2010) Ireland

## Research & Scholarship

---

### CLINICAL TRIALS

- Oral Hymecromone to Treat Adolescents and Adults With Primary Sclerosing Cholangitis., Recruiting

### Publications

---
