James Michael Kilgour

Postdoctoral Research Fellow, Dermatology

Bio

BIO

James grew up in Oxford in the United Kingdom. He graduated from Cardiff University School of Medicine with honours in 2017, and has a BSc in Medical Education. Following graduation, he completed two years as a clinical academic in Dermatology at the University of Oxford, conducting research investigating patient-reported outcome measures and quality of life in patients with Graft-versus-Host-Disease following allogenic stem cell transplant. He has also extensively published in Medical Education, and is the Founder and Editor-in-Chief of a novel peer reviewed medical journal targeted at encouraging medical students to publish and peer review.
