

Stanford

Heather Clark MS, RN, AGACNP-BC

Professional Overview

BIO

I am an acute care nurse practitioner, currently practicing in the specialty of Neurocritical Care. I have held this position for over 2 years. Prior to that, I was a nurse practitioner in the cardiovascular ICU at Stanford Health care for 3 years. I received my undergraduate nursing degree in 2003 and have worked in various ICU settings since then both as an RN and now NP.
