Professional Overview

BIO

Brigid is a nurse practitioner providing care for patients with complex spine conditions including spinal deformity and spinal tumors. She joined the Stanford Neurosurgery team in March 2017 after completing her MSN – Family Nurse Practitioner degree at UCSF. Brigid started her career as an Army Nurse working in Korea, Hawaii, and Afghanistan. Following active duty she moved to California where she first was a travel nurse at the Stanford Neuroscience Clinic and then worked as a nurse at the UCSF Benioff Children's Hospital Pediatric Brain Center for four years. Brigid is a member of Sigma Theta Tau and the California Association of Nurse Practitioners.
