Bio

BIO

Dr. Ludin is a licensed clinical psychologist (PSY32172) who specializes in the treatment of trauma, relationship concerns, sexual health, and identity-related concerns. She serves patients through the PTSD, THRIVE, and Sexual Dysfunction Clinics at Stanford School of Medicine and at the Confidentiality Support Team at Stanford University. Dr. Ludin received a master's degree in Education and a Ph.D. in Clinical Psychology from the University of Virginia. She completed her doctoral internship at the University of Michigan Mary A. Rackham Institute, where she received specialized training in the treatment of couples and families. Dr. Ludin completed her postdoctoral fellowship at Stanford School of Medicine.
