

Stanford

Danielle Noble

Librarian 1, University Libraries

Bio

BIO

I am the Evening Librarian for Access Services. I am the course reserves team manager, providing reference services at Cecil Green Library in the evening. I spent most of my young adult life living in various places throughout New York State before attending college in upstate New York. My undergraduate major is in English Literature and Education from SUNY Plattsburgh. I earned my master's in education from Chaminade University in Honolulu, Hawaii. I spent several years teaching in Hawaii before moving overseas with my spouse. I returned to my education to earn a Master's of Library and Information Science with a concentration in reference and instruction, which allowed me to combine my passion for teaching with her dedication to information literacy. In my leisure time, I enjoy spending time with my children and dogs, reading, drinking tea, traveling, and playing board games with my family and friends.

CURRENT ROLE AT STANFORD

Assistant Librarian (Librarian 1) evenings
