 Curriculum Vitae available Online

Bio

BIO

Zenghao Zhu received his BS in Thermal Energy and Power Engineering and his second BS in Law from China Jiliang University in 2012. He finished his master's study in Power Engineering at the University of Shanghai for Science and Technology in 2015. He obtained his Ph.D. degree from Villanova University in Mechanical Engineering in 2019. Zenghao is currently a postdoctoral scholar in Dr. Ó Maoiléidigh's lab and is creating models of hair-bundle mechanics and mechanotransduction in hair bundles.
