Publications

PUBLICATIONS

- **Influence of Thoracic Endovascular Aortic Repair on True Lumen Helical Morphology for Stanford Type B Dissections.** *Journal of vascular surgery*
Bondesson, J., Suh, G., Marks, N., Dake, M. D., Lee, J. T., Cheng, C. P.
2021
- **Multiaxial pulsatile dynamics of the thoracic aorta and impact of thoracic endovascular repair.** *European journal of radiology open*
Suh, G., Bondesson, J., Zhu, Y. D., Lee, J. T., Dake, M. D., Cheng, C. P.
2021; 8: 100333
- **Thoracic aortic geometry correlates with endograft bird-beaking severity.** *Journal of vascular surgery*
Frohlich, M. M., Suh, G., Bondesson, J., Leineweber, M., Lee, J. T., Dake, M. D., Cheng, C. P.
2020
- **Quantification of True Lumen Helical Morphology and Chirality in Type B Aortic Dissections.** *American journal of physiology. Heart and circulatory physiology*
Bondesson, J. n., Suh, G. Y., Lundh, T. n., Dake, M. D., Lee, J. T., Cheng, C. P.
2020
- **Automated Quantification of Diseased Thoracic Aortic Longitudinal Centerline and Surface Curvatures.** *Journal of biomechanical engineering*
Bondesson, J. H., Suh, G., Lundh, T., Lee, J. T., Dake, M. D., Cheng, C.
2019
