

Crissy L Tarver

Research Engineer

Bioengineering

Bio

ACADEMIC APPOINTMENTS

- Research Engineer, Bioengineering

BOARDS, ADVISORY COMMITTEES, PROFESSIONAL ORGANIZATIONS

- Member, Department of Structural Biology DEI Committee (2021 - present)

Publications

PUBLICATIONS

- **Effects of Ionic Liquids as Additives on Protein Crystallization** *Advanced Methods in Structural Biology*
Tarver, C. L., Pusey, M. L.
2023: 187-197
- **Ionic Liquids as Protein Crystallization Additives.** *Crystals*
Tarver, C. L., Yuan, Q., Pusey, M. L.
2021; 11 (10)
- **A low-cost method for visible fluorescence imaging.** *Acta crystallographica. Section F, Structural biology communications*
Tarver, C. L., Pusey, M.
2017; 73 (Pt 12): 657-663
