Bio

BIO

As co-founder and co-director of La Clínica Latina, Dr. Nataly Beck is a psychiatrist who is passionate about providing culturally sensitive and compassionate care to patients, especially to those from the Latino community. Originally from Lima, Peru, she immigrated to the US with her family at a young age. She graduated from Yale School of Medicine and completed her psychiatry residency at Vanderbilt University Medical Center. After her first year as an attending at Yale, she began her work at Stanford where she worked in the INSPIRE Clinic for individuals experiencing psychosis and then co-founded La Clínica Latina. She loves the Bay Area and her interests include salsa dancing, playing piano, and spending time with her family.
