Bio

BIO

Andrea is a certified Physician Assistant who joined Stanford Health Care in 2019 to develop a comprehensive Fracture Liaison Service and bone health clinic championed by Dr. Michael Gardner, Trauma Orthopaedist. Andrea earned a Masters degree in Medical Science, Physician Assistant Studies and a Masters in Health Administration, both from the University of Missouri. She holds a current certification with the International Society of Clinical Densitometry and has completed her certificate trained as a fracture liaison clinician through the National Osteoporosis Foundation. She has a keen interest in educating primary care providers and the general public on the importance of early monitoring, risk factors and treatment for bone loss and the prevention and healing of fractures.
