

Felix Chang, MD

Clinical Assistant Professor, Neurology & Neurological Sciences

CLINICAL OFFICE (PRIMARY)

- **Dept of Neurology**

453 Quarry Rd

Palo Alto, CA 94304

Tel (650) 725-9876

Fax (650) 721-6066

Bio

BIO

Dr. Felix Chang's clinical practice mainly involves intraoperative neurophysiologic monitoring (IONM) and the treatment of neurological disorders with botulinum toxin. He earned his medical degree at the University of Texas Southwestern Medical Center. He completed his neurology residency at the Harvard Neurology Program at the Beth Israel Deaconess Medical Center in Boston. He then went on to complete a fellowship in clinical neurophysiology with a focus in intraoperative neurophysiologic monitoring at Stanford.

CLINICAL FOCUS

- Intraoperative Neurophysiological Monitoring
- Botulinum Toxin Treatment
- Clinical Neurophysiology

ACADEMIC APPOINTMENTS

- Clinical Assistant Professor, Neurology & Neurological Sciences

HONORS AND AWARDS

- Young Investigator Award, American Clinical Neurophysiology Society (2021)

PROFESSIONAL EDUCATION

- Board Certification, American Board of Psychiatry and Neurology , Clinical Neurophysiology (2023)
- Fellowship: Stanford Neurophysiology Fellowship (2021) CA
- Board Certification: Neurology, American Board of Psychiatry and Neurology (2020)
- Residency: Beth Israel Deaconess Medical Center Neurology Residency (2020) MA
- Internship: George Washington University Medical Center Internal Medicine (2017) DC
- Medical Education: University of Texas Southwestern Medical School Registrar (2016) TX
- MD, University of Texas Southwestern (2016)
