Bio

BIO

Dr. Sanserino provides comprehensive care in both obstetrics and gynecology, allowing her to address the broad needs of her patients throughout the arc of their lives. She practices both inpatient and outpatient obstetrics, office-based gynecology, and performs gynecologic surgery. She has a background in community health work in quality improvement, and she has a particular interest in resident education in Quality Improvement and Patient Safety. She is committed to safe, equitable health care and has a patient-centered, evidence-based practice approach.

Dr. Sanserino speaks fluent Spanish.
