Bio

BIO

Sabrina Orique, PhD, RN, AOCNS, is a hematology/oncology clinical nurse specialist at Stanford Health Care. She serves as adjunct faculty for Fresno Pacific University in the MSN FNP program. Her program of research entails patient safety with a focus on delivery of nursing care. Her published work includes missed nursing care, situation awareness, and early recognition of clinical deterioration. She has a Bachelor of Science in Nursing and a Master of Science in Nursing from California State University, Fresno. She earned her PhD in nursing from the University of Missouri, Columbia and is a 2015 Robert Wood Johnson Foundation Future of Nursing Scholar. She is a member of the National Association of Clinical Nurse Specialists, Oncology Nursing Society, and Sigma Theta Tau. She is certified as an oncology nurse and advanced oncology clinical nurse specialist by the Oncology Nursing Certification Cooperation.
