

Stanford

Varsha Rajesh

Research Associate in Functional Genomics, Pediatrics - Endocrinology

Bio

BIO

Varsha recently obtained her Bachelor's degree in Biochemistry and Cell Biology from University of California San Diego in 2020. She currently works as a Research Associate at the Translation Genomics of Diabetes Lab under Dr. Anna Gloyn. Varsha is interested in learning more about Type 2 Diabetes disease mechanisms and the applications of molecular genetics in understanding pancreatic cell function.

CURRENT ROLE AT STANFORD

Life Science Research Professional at Translational Genomics of Diabetes Lab.

EDUCATION AND CERTIFICATIONS

- Bachelor's, University of California San Diego , Biochemistry and Cell Biology (2020)
