

Preethi Bala Balakrishnan

Postdoctoral Scholar, Molecular Imaging Program at Stanford

Bio

PROFESSIONAL EDUCATION

- Master of Technology, Sastra University (2013)
- Bachelor of Technology, Sastra University (2013)
- Doctor of Philosophy, Universita Degli Studi Di Genova (2017)
- Postdoctoral Scholar, The George Washington University Cancer Center, Washington DC, USA , Nanoimmunotherapy (2021)
- PhD, Istituto Italiano di Tecnologia, Genoa, Italy , Nanochemistry for Biomedical Applications (2017)
- Research Intern, Khademhosseini Lab, Massachusetts Institute of Technology (MIT), Boston, USA , Tissue Engineering (2013)
- M.Tech, SASTRA University, India , Medical Nanotechnology (2013)
- B.Tech, SASTRA University, India , Biomedical Engineering (2011)

STANFORD ADVISORS

- Jianghong Rao, Postdoctoral Faculty Sponsor

PATENTS

- Teresa PELLEGRINO, Thanh Binh MAI, Markus Joachim BARTHEL, Preethi Bala BALAKRISHNAN, Hamilton KAKWERE, Roberto Cingolani. "Italy Patent IT201700009221A1, WO2018138677A1 Procedure for the synthesis of stimulus-responsive magnetic nanoparticles", Istituto Italiano di Tecnologia, Jan 27, 2017
