

Aubrey L. Florom-Smith, PhD, RN, AFAsMA

Clinical Assistant Professor, Medicine - Primary Care and Population Health

Bio

BIO

Aubrey Florom-Smith, PhD, RN, AFAsMA, is a Clinical Assistant Professor in the Department of Medicine, Division of Primary Care and Population Health, at the Stanford University School of Medicine. She is a Nurse Scientist in the Office of Research, Patient Care Services at Stanford Health Care, where she supports Acuity Adaptable Unit nursing and interprofessional research, technology research, and nursing research at Stanford Health Care-TriValley. Dr. Florom-Smith has over 10 years of nursing, clinical, and applied research experience, across a wide range of areas of inquiry, and in healthcare, corporate, and laboratory settings. She obtained her Bachelor of Science in Nursing and her PhD in Nursing Science from the University of Miami, where she was the first National Institutes of Health/National Institute of Nursing Research Predoctoral Fellow at the School of Nursing and Health Studies. Dr. Florom-Smith's research interests include exploration of novel healthcare delivery models as complex systems, understanding, sustaining and enhancing human health and performance during spaceflight, and adapting impactful countermeasures and interventions for use at the terrestrial bedside and in space. Inducted into Sigma Theta Tau in 2008, Dr. Florom-Smith has received several honors and awards, including the 2020 University of Miami Alumnus of Distinction Award, the Aerospace Nursing and Allied Health Professionals Society Louise Marshall Nursing Scholarship, the Jonas Foundation Nurse Leader Scholar, the Sigma Theta Rising Star of Scholarship and Research Award, and the March of Dimes Rising Star Award. Dr. Florom-Smith is an Associate Fellow of the Aerospace Medical Association.
