

Holly Elizabeth McCall

Policy Program Coordinator, Institute for Human-Centered Artificial Intelligence (HAI)

Bio

BIO

Holly McCall is the Policy Coordinator at the Stanford Institute for Human-Centered Artificial Intelligence (HAI). She works with policy programs centered around emerging technology, and provides operational support for the policy research manager. The policy team seeks to connect AI technology research and policy communities.

Holly transferred to HAI, from Stanford School of Engineering, Office of the Dean, and has worked in a variety of settings in the non-profit and philanthropy world. She holds an M.A. in International Relations from Florida State University and a B.A. in Business Administration at Andrews University.
