Stanford

Holly Elizabeth McCall

Program Manager, Management Science and Engineering - Technology Ventures
Program

Bio

BIO

Holly McCall to the STVP team and MS&E department as STVP Program Manager. Holly focuses on scaling projects around STVP's core focus areas: ethics, inclusion, and sustainability. She will be works closely with faculty and staff to develop strategy, operationalize ideas, and ultimately bring STVP's transformative experiences and insights to a much bigger community.

Already familiar with Stanford's approach to engineering and technology, Holly previously worked at Stanford's Institute for Human Centered Artificial Intelligence (HAI) and the School of Engineering's Dean's Office focusing on project management and event planning. Holly's key programs at HAI included launching the Tech Ethics & Policy Student Fellowship and managing the AI Bootcamp for US Congressional Leaders. Beyond Stanford, Holly brings additional background in philanthropy, politics, and event planning with time spent with Bloomberg Philanthropy and the Mike Bloomberg 2020 Presidential Campaign.
