

Stanford

Jeffrey Bunker

- Affiliate, Department Funds
- Fellow in Graduate Medical Education

Bio

BIO

Jeffrey Bunker is an infectious diseases physician-scientist, immunologist, and microbiologist. He is currently a clinical fellow in infectious diseases at Stanford University. Bunker's research investigates interactions between the microbiome and the immune system, including fundamental questions about how and why certain microbes generate immune responses and how these processes influence homeostasis and disease. His clinical interests focus on microbial pathogenesis, antimicrobial resistance, and the diagnosis and treatment of complex infections.

CLINICAL FOCUS

- Infectious Diseases
- Internal Medicine
- Fellow

HONORS AND AWARDS

- Translational Investigator Program (TIP) Trainee, Stanford University Department of Medicine (2021 - present)
- Graduation with Honors, University of Chicago Pritzker School of Medicine (2021)
- Alpha Omega Alpha, University of Chicago Prizker School of Medicine (2020)
- Interdisciplinary Scientist Training Program Award for Outstanding Achievement in Research, University of Chicago (2018)
- Kirschstein-NRSA F30 Fellowship, NIH/NIAID (2016-2020)
- Frank Family Fellow, University of Chicago Medical Scientist Training Program (2014-2021)
- Medical Scientist Training Program (MSTP) Trainee, University of Chicago (2012-2021)
- Phi Beta Kappa, University of Nebraska-Lincoln (2012)
- INBRE Biomedical Research Scholar, University of Nebraska Medical Center (2010-2012)
- Benjamin M. Sahagian Biochemistry Scholarship, University of Nebraska-Lincoln. (2011)
- Milton E. Mohr Research Scholar, University of Nebraska-Lincoln (2010-2012)
- C.J. and I.V. Killian Memorial Music Scholarship, University of Nebraska-Lincoln (2007-2011)
- Regents Scholar, University of Nebraska-Lincoln (2007-2011)

PROFESSIONAL EDUCATION

- Fellowship, Stanford University , Infectious Diseases
- Residency, Stanford University , Internal Medicine (2023)
- MD, University of Chicago , Pritzker School of Medicine (2021)

- PhD, University of Chicago , Immunology (2018)
- BS, University of Nebraska-Lincoln , Biochemistry, Biological Sciences (2012)
- BA, University of Nebraska-Lincoln , Music (2012)
