Bio

BIO

PATRICK LANTER, MD, MPH FACEP is an assistant professor in the Department of Emergency Medicine at Stanford University. Dr. Lanter previously completed a 2-year ultrasound fellowship and 2-year global emergency medicine at Stanford and has completed his master's in public health at the University of California Berkeley. He completed his emergency medicine residency at Washington University in St. Louis where he served as Chief Resident. He completed his medical school training at the University of Illinois, Chicago and was a member of the Global Medicine Program during his time there. His work has focused on the development of a sustainable ultrasound training program at the University Teaching Hospital of Kigali in Rwanda. Additionally, he has served as a course instructor for 2 Stanford courses (Medical Student Introduction of POCUS and Point of Care Ultrasound Clerkship), and the Emergency Medicine Clerkship at the University of Global Health Equity in Butaro, Rwanda.
