

## Christine Shyrue Lai

- Affiliate, Department Funds
- Fellow in Pediatrics - Hematology/Oncology

### Bio

---

#### BIO

Dr. Christine Lai is a Pediatric Hematology Oncology Fellow in the Bass Center at Lucile Packard Children's Hospital. Prior to coming to Stanford, she trained in pediatric residency at Northwell Alexandra Cohen Children's Hospital in New Hyde Park, NY and attended medical school at New York University. Her current research interests are cancer immunotherapy and cancer glycobiology. She currently works in Professor Carolyn Bertozzi's lab and sees patients in the Bass Center Clinic.
