Bio

BIO

Grace Lee, Ph.D. is a Clinical Assistant Professor and a CA Licensed Clinical Psychologist in the Department of Psychiatry & Behavioral Sciences at Stanford University School of Medicine. Dr. Lee specializes in evidence-based, trauma-informed, and compassion-focused care for individuals presenting with psychosis. She is currently providing Cognitive Behavioral Therapy for Psychosis (CBTp), Cognitive Processing Therapy, and Prolonged Exposure Therapy within the INSPIRE Clinic and PTSD Clinic. She also leads trainings in CBTp to providers supporting individuals with psychosis.
