

Stanford

Camille Walker

Program Associate, Science, Technology and Society

Bio

BIO

Camille started supporting the STS program as the Program Associate in May 2021. As the STS Program Associate, she works closely with the SSO, Program Manager, and STS faculty assisting with finance, course support and scheduling, events, and the STS website and newsletter. Camille graduated from CSUMB with a major in Teledramatic Arts & Technology. In the past she has volunteered with AACI's HIV Outreach, Prevention, and Education (HOPE) program in San Jose and is the current Board Secretary for the Dragon Theater in Redwood City.

CURRENT ROLE AT STANFORD

Program Associate, Science, Technology, and Society
