Digital Scholarship Coordinator, Center for Interdisciplinary Digital Research

Bio

BIO

As Digital Scholarship Coordinator, based jointly in the Center for Spatial and Textual Analysis (CESTA) and the Stanford University Libraries' Center for Interdisciplinary Digital Reserach (CIDR), I support research and teaching in computational social sciences and digital humanities for the Stanford community along with other specialists. I also support CESTA's projects and publications by leveraging the Libraries' infrastructure and expertise. Additionally, I am responsible for maintaining and developing the Libraries' digital humanities collection.

CURRENT ROLE AT STANFORD
