

Stanford

Joseph Siang-Huey Huang

Executive Director of Strategic Research Initiatives - Computer Science, Computer Science

Bio

BIO

Joseph leads a team of bridge builders, connecting corporations with Stanford University's computer science department. We work with companies who want to collaborate with the university on advancing artificial intelligence, data science, and machine learning in a wide variety of applications and industries.

Joseph has experience in semiconductor (Intel), aerospace (Boeing), and higher education (Arizona State University, Stanford) industries.

CURRENT ROLE AT STANFORD

Executive Director of Strategic Research Initiatives.
