

Emory Hsu, M.D.

- Clinical Assistant Professor (Affiliated), Medicine - Med/Endocrinology
- Staff, Medicine - Med/Endocrinology

Bio

BIO

Emory Hsu received his Bachelor's degree in Biochemical Sciences with honors from Harvard University. He then attended medical school at Vanderbilt University, during which he completed an extra research year fellowship through Howard Hughes Medical Institute and the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) at the National Institutes of Health in Bethesda, Maryland. He then completed his internship and residency training in Internal Medicine - research track at Emory University, followed by a fellowship in Endocrinology, Lipids, and Metabolism there. He is board certified in both Internal Medicine and Endocrinology. He is actively involved in the teaching and training of Stanford University Endocrinology fellows, Internal Medicine residents, and medical students.
