

Debadrita Bhattacharya

Postdoctoral Scholar, Hematology-Oncology

 NIH Biosketch available Online

Bio

HONORS AND AWARDS

- Damon Runyon Fellowship Award, Damon Runyon Cancer Research foundation (2022-2026)
- Stanford Dean's Fellowship, Stanford University (2022 Spring)

PROFESSIONAL EDUCATION

- Bachelor of Science, University Of Calcutta (2013)
- Master of Science, Tata Institute of Fundamental Research (2016)
- Doctor of Philosophy, Cornell University (2021)

STANFORD ADVISORS

- Julien Sage, Postdoctoral Faculty Sponsor

Publications

PUBLICATIONS

- **Neural crest metabolism: At the crossroads of development and disease** *DEVELOPMENTAL BIOLOGY*
Bhattacharya, D., Khan, B., Simoes-Costa, M.
2021; 475: 245-255
- **Metabolic Reprogramming Promotes Neural Crest Migration via Yap/Tead Signaling** *DEVELOPMENTAL CELL*
Bhattacharya, D., Azambuja, A., Simoes-Costa, M.
2020; 53 (2): 199-+
- **Control of neural crest multipotency by Wnt signaling and the Lin28/let-7 axis** *ELIFE*
Bhattacharya, D., Rothstein, M., Azambuja, A., Simoes-Costa, M.
2018; 7
- **The molecular basis of neural crest axial identity** *DEVELOPMENTAL BIOLOGY*
Rothstein, M., Bhattacharya, D., Simoes-Costa, M.
2018; 444: S170-S180
