Bio

BIO

Dawn Siegel, MD is a Professor in Dermatology at Stanford University. She is affiliated with Lucile Packard Children's Hospital (LPCH) at Stanford and Stanford Hospital and Clinics (SHC). She received her medical degree from University of Wisconsin -Madison and completed her dermatology residency and pediatric dermatology fellowship at University of California San Francisco. She has been in practice for over 15 years. She specializes in hemangiomas, birthmarks, vascular anomalies and genetic skin conditions. Her research interests are in strawberry birthmarks (hemangiomas) and the related multiple congenital anomaly syndrome, PHACE (Posterior Fossa anomalies, Hemangiomas, Arterial anomalies, Cardiac defects, and Eye anomalies).

CLINICAL FOCUS

- Pediatric Dermatology

ACADEMIC APPOINTMENTS

- Clinical Professor, Dermatology
- Member, Cardiovascular Institute
- Member, Maternal & Child Health Research Institute (MCHRI)

PROFESSIONAL EDUCATION

- Board Certification: Pediatric Dermatology, American Board of Dermatology (2008)
- Fellowship: UCSF Dept of Dermatology (2007) CA
- Board Certification: Dermatology, American Board of Dermatology (2006)
- Residency: UCSF Dept of Dermatology (2006) CA
- Residency: UCSF Benioff Childrens Hospital Pediatric Residency (2000) CA
- Medical Education: University of Wisconsin Madison Office of the Registrar (1998) WI
