

Stanford

Kelly Hyles

- MD Student with Scholarly Concentration in Community Health / Surgery, expected graduation Spring 2026
- MBA, expected graduation 2026

Bio

BIO

Kelly is a first-year medical student. She graduated from Harvard College with a B.A. in Human Developmental and Regenerative Biology. Post-graduation, she completed a public service fellowship with 5G Dialysis Centre and the Ministry of Health, working to improve the accessibility and affordability of dialysis in Guyana. Kelly is interested in increasing health equity for underserved communities, both locally and abroad.
