Bio

BIO

Adam Furst, JD, MS, is a Biostatistician of the S-SPIRE Center. Adam received his master's degree in biostatistics from the University of California (Davis), and his law degree from the University of Colorado (Boulder). He has served as a biostatistician on various grant-funded studies and clinical trials working with diverse teams including statisticians, doctors, surgeons, radiologists, dosimetrists, epidemiologists and other investigators. He is passionate about collaborative research to advance data and evidence-based practice in medicine and healthcare policy in general.
