Dave Singh

Adjunct Professor, Psychiatry and Behavioral Sciences - Sleep Medicine

Bio

BIO

Dr Dave Singh is an Adjunct Professor in Sleep Medicine, where he is developing a Virtual Craniofacial Laboratory. He is a Board Member of the American Sleep and Breathing Association, Member of the World Sleep Society, Academic Fellow of the World Federation of Orthodontists, and Fellow of the International Association for Orthodontics, where he was awarded prizes in 2005, 2013 and 2014. He has published over 200 articles in the peer-reviewed medical, dental and orthodontic literature, and has published 9 books/chapters. Dr. Singh was the 2019 recipient of the US Invisible Disabilities Association award for 'providing the possibility of healthy lives for millions living with illness, pain and disability'. In 2020, Dr Singh was given a lifetime achievement award for his work on sleep apnea 'exemplifying leadership, excellence, and entrepreneurship in service to humanity and the advancement of global health'. Currently, he is Founder and Chief Medical Officer, Vivos Therapeutics, Inc.
